

### English

The topics/units for literacy this term are mythology, newspaper reports, instruction writing, comic strip writing and reading comprehension skills.

We will continue to learn and practise the spelling patterns and key words for Year 3, which include words with prefixes and suffixes.

Our core book for this term will be Theseus and the Minotaur.

You are expected to share a book with your child every day and sign their reading record at least once a week. We encourage you to take your child to the library and share books regularly with them.

### Topic

In Geography, we will be learning about places in Europe, the British Isles and physical features of the UK. We will also be learning about volcanoes, mountains and rivers.

### Science

Our Science topics this term will be 'light' and 'plants'. We will be carrying out scientific experiments based on these topics.

### PE

Pupils will be developing skills in athletics. P.E days are Mondays and Fridays.

**Please ensure that your child has their PE kit in school every day.**

### Art/D&T

This half term we will be doing observational drawings of plants to link to our science topic.
