

English

The topics for literacy this term are poetry, non-chronological reports and story writing.

We will continue to learn and practise the spelling patterns and key words for Year 3, which include words with prefixes and suffixes.

Our core book for this term will be *Alice in Wonderland*.

You are expected to share a book with your child every day and sign their reading record book. We encourage you to take your child to the library and share books regularly with them.

Topic

In history we will be continuing our study of British pre - history, learning about the Iron Age and the Celts. We will take the children back in time to learn about Early Man.

Science

In science we will be learning about the Digestive System and the bones in our body.

PE

In PE we will be looking at stretching and curling in gymnastics. In our games lessons we will be looking at directing the ball and creating space. Our PE days are Monday and Tuesday. Please ensure that your child has their PE kit in school every day.

Art/D&T

We will be building Iron Age hill forts and designing our own Celtic shields.

Year 3 Spring Term Curriculum Map

Music

This term the children will be learning a variety of songs involving part-singing.

PSHE

This term the children will be learning about a healthy body and the dangers of smoking on the body.

Class Assemblies

Feb 1st - 3C
March 15th - 3GM

Homework

Our homework focus continues to be reading as well as regular practice of times tables and weekly spellings.

Maths

This term our topics include; calculation work (+ - x ÷), number and place value, money, fractions, angles, mass, statistics and 3D shapes.

By the end of the year pupils are expected to know their number 3, 4, 6 and 8 times tables, please ensure that you are supporting your child to know these by heart by logging in regularly to Times Table Rick Stars.

We will also be looking at problem solving strategies throughout the term.

Half-termly target - To know year 3 measure facts.
