

## English

We will continue to learn and practise the spelling patterns and key words for Year 5 which include: silent letters, homophones and common prefixes and suffixes.

Our core texts for this term will be *The Lion the Witch and the Wardrobe* by C.S. Lewis and *Robin Hood*.

You are expected to share a book with your child every day and sign their reading record at least once a week. Your child should be reading for 20 minutes every night. We encourage you to take your child to the library and share books regularly with them.

## Topic

In History, we will be learning about the Ancient Greeks exploring their daily lives, the history of the Olympics and their contribution to the modern world. We will also be having an Ancient Greek day where we will dress up as Ancient Greeks for the day and have some food tasting.

### Science

Our Science topic for this half term is living things and their habitats. We will be looking at MRS GREN and how different animals adapt to their environments.

## PE

Pupils will be taking part in weekly swimming lessons. Please ensure that your child has their Swimming kit in school every Wednesday.

## Art

Our art topic for this term is in line with the Ancient Greeks. We will be designing and making our own Greek pots.

# Year 5 Summer Topic Term Curriculum Map

## Home Learning

Weekly talk homework based on the books the children are engaging with at home.

Spellings are given out and tested on a Wednesday.

Times table rockstars is an app available to download for free to practise times table facts.

## Music

Singing, learning songs with a view to perform with other schools.

## PSHE

Drugs

## Maths

This term we will be continuing to develop confidence and fluency in mental and written calculations involving whole and decimal numbers, counting and place value.

We will also be looking at long and short division, compact and decimal multiplication, time and geometry.

By the end of the year pupils are expected to know all times tables, FDP equivalences and measurement conversions so please ensure that you are supporting your child to know these by heart.

This half termly target is to be able to recall the properties of 2D and 3D shapes.
