

### English

This half term in Literacy children will be studying non chronological reports. Linked to their topic work, children will produce a non- chronological report about rainforest animals.

Children will also be studying the book 'Zoo' by Anthony Browne in order for them to develop their inference and deduction skills. They will also have the opportunity to write their own balanced argument based on the question of 'Are zoos still necessary?' Children will also be looking at poetry and spelling and grammar.

### Humanities

The children will focus on Geography in the Autumn term studying three different locations: the rainforest, mountains and the ocean.

### Science

Children will be learning about living things and their habitats and evolution and inheritance.

### PE

Pupils will be developing their skills in gymnastics.

P.E days are Wednesdays & Fridays

Please ensure that your child has their PE kit in school every day.

### Art/D&T

Children will be studying the work of artist Henri Rousseau and looking at shelters in D&T.

## Year 6 Autumn Topic Term Curriculum Map
