Nut Allergies

We would like to remind you that some children within our school have a serious food allergy to peanuts/nuts. Any exposure to peanuts/nuts may cause a life-threatening allergic reaction that requires emergency medical treatment. To minimise the chance of this occurring, we are asking that you **do not send any peanuts, or products containing peanuts, nuts, coconut, or traces of nuts to school** with your child in their packed lunch, or any other food or sweets that are brought in for birthdays or other celebrations. Thank you for your cooperation.
