

English

We will be focusing on the novel 'Holes' by Louis Sachar which will give us the opportunity to develop both our reading and writing skills. Afterwards we will move on to a poetry unit where we will think carefully about inference skills.

Following half term, we will begin our novel study on Kensuke's Kingdom.

We will also be focusing on SPaG on a weekly basis in preparation for the SATs.

Humanities

The children will be learning about Crime & Punishment and then completing a local history study.

Science

Our science topic for the spring term is 'Animals including humans' where our focus will be healthy lifestyles and the heart and circulation.

PE

Pupils will be developing their skills in dance and invasion games.

P.E days are **Thursday & Fridays**.

Please ensure that your child has their PE kit in school every day.

Art/D&T

In Art children will be looking at famous fashions through the years and in D&T the children will have the tasks of designing and building their own bird houses!

Year 6 Spring Topic Term Curriculum Map

Reading Homework

Daily

Spellings

Friday

Arithmetic Aerobics

Monday

PSHE- We will be learning about people's rights within the wider world and also the changes that our bodies will go through as we grow up.

RE - Our RE topic this term will be looking at the Islam religion and the pilgrimage of The Hajj and then Christianity and the celebration of Easter.

Maths

This term is where we build up towards the National Examinations in May. We will continue to consolidate our arithmetic skills as well as our confidence and accuracy with the four operations in different contexts.

We will build on the fraction foundations laid in the autumn and apply our skills in reasoning questions.

We will then move on to revise all other areas before the SATs.
