

### English

We will be focusing on the novel *Goodnight Mr Tom* by Michelle Magorian which will give us the opportunity to develop both our reading and writing skills. This will also allow the children to develop their knowledge of living through a World War. Afterwards we will move on to writing recounts of our school trips and other exciting activities we have done outside of school.

After our SATs we also give the children opportunities to design and create their own story books.

### Humanities

The children will be learning about the ancient Mayan civilisation.

This will allow the children opportunities food technology also.

### Science

Our science topic for the spring term is 'Animals including humans' where our focus will be healthy

### PE

Pupils will be developing their skills in outdoor games. P.E days are **Thursday & Fridays**. Please ensure that your child has their PE kit in school every day.

### Art/D&T

In Art children will be looking at the work of Monet and the impressionists and in D&T the children will be learning about food technology, nutrition and cooking their own burgers!

## Year 6 Summer Topic Term Curriculum Map

### Reading Homework

Daily

### Spellings

Friday

### Arithmetic Aerobics

Monday

### PSHE

- The topic for the summer term will link back to their autumn topic of Health and Wellbeing and the impacts of positive thinking. The children will also learn and understand how we can be responsible global citizens.

### RE

- Our RE topic this term will be looking at the Hindu religion and the Hindu community.

### Maths

This term is where we build up towards the National Examinations in May. We will continue to consolidate our arithmetic skills as well as our confidence and accuracy with the four operations in different contexts.

We will build on the fraction foundations laid in the autumn and apply our skills in reasoning questions.

We will then move on to revise all other areas before the SATs.
