Vision, Aims and Values

Vision

Our vision reflects our school motto, which is '*Dream Big, Fly High!*'

Our vision is that Southbury children have high aspirations and reach their full potential.

How we aim to achieve this:

- offering the best possible start to school life
- providing a happy and nurturing learning environment where children feel motivated, valued and safe to learn
- holding high expectations for behavior and rewarding hard work and effort
- developing a successful working partnership between home and school
- instilling a growth mindset amongst our learners so that they become confident and independent individuals
- delivering an inspiring curriculum that both challenges and supports children to excel
- understanding how children learn and embedding this into our curriculum
- including a range of enrichment opportunities inclusive to all our pupils and reflecting the community we serve
- weaving our school values throughout our curriculum in order to develop well-round pupils
- celebrating all religions, cultures and moral values represented in our local community
