18th July—Last day of term. **School finishes at 1:15pm**

## Welcome from Mrs. Panteli.

Eid Mubarak to all of our Muslim families! I hope you had a lovely time celebrating with your families and loved ones. This week, we are saying a temporary goodbye to Mrs Begum, who is leaving to have her baby. We wish you luck, send lots of love and look forward to updates once baby is born. We will be welcoming back Miss Harman, who will be returning from maternity leave to teach Tulip class for the remainder of the year. As we come to the end of yet another term, I would like to thank all of our families for your support and kindness—I really feel as though we are building more of a partnership and that is fantastic. I also take this opportunity to thank all of the wonderful children and the amazing staff at Southbury for your hard work and dedication. Happy Easter to all of our Christian families and I wish you all a lovely and restful break.

## Attendance Matters!

Overall attendance for week ending 28th March  
**93.76%**

Attendance winners 24th—28th March

**1st place - Y2 Lavender with 98.57%**

**2nd place - YR Poppy with 98.1%**

**3rd place - Y5 Tulip with 97.84%**

Our Value this half term is...

## Kindness

Next half term, we will be looking at what it means to be kind and why it is important to be kind through your words and actions. Speak to your child about ways that they can show kindness at home, at school and within the community.

## Mathletics.

Does your child know their Mathletics login? Mathletics is a great online learning resource. Teachers assign tasks for the children to complete that consolidate learning taken place in class. Please ensure that you make the most of this excellent resource and use it weekly.

## Pro Strike!

Pro Strike will be visiting us on Wednesday 30th April! Children will have the opportunity to test their strength and agility by kicking a ball into a goal as hard as they can! Your child has brought home a sponsorship form; please help them to get as many sponsors for this event as possible. The more sponsors they get, the better the prize they receive! Plus, the class who raises the most sponsorship money will receive an exciting prize!

## Attendance Matters

Our whole-school attendance numbers have increased slightly over the past two weeks but we still have lots to do to get it back up to the target of 95%

A reminder that if your child is feeling unwell but does not have a temperature or has vomited, please do your best to send them into school. Many children start to feel better as the day goes on and we will ensure that they are well looked after. Of course if they are not well enough to learn, we would notify you of this and ask for them to be collected.

In addition to this, we must also reduce the number of appointments taking place in the school day. Some appointments, such as hospital referral appointments, cannot be helped but please book dentist and doctor appointments out of school hours.

## Donations needed.

We often need spare uniform throughout the school day to allow for accidents. If you have any boys trousers that no longer fit your child, please could you send them into school. We greatly appreciate it.

# What have we been up to?

## Year 6

Year 6 enjoyed finishing their Art topic on vases. In pairs they were able to use their designs to create their own clay vases. Their finished products are beautiful! Well done Year 6!

## Nursery

The children had great fun making perfume from flowers and water. They each took a different approach to preparing them. They spoke about the colours and textures of the flowers of the leaves too.

## Year 2

Year 2 had a fantastic time taking their science learning outdoors this week! The children explored the school playground, spotting different objects and identifying the materials they were made from.

## Year 3

Y3 loved making 3D shapes to consolidate their understanding of shape properties. They used straws, nets and playdough to make 3D shapes.

## Year 5

Year 5 went to Durants Park and investigated ways the park could be improved. We measured out the area of the park and thought of ways to make the park more accessible for all, more eco friendly and inviting for wildlife and mini beasts!

## Reception

Lots of crafting has been happening in Reception this week. Look at some of the patterns and details the children have included! Spectacular work Reception!

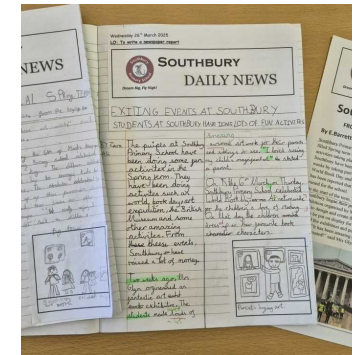

## Year 1

This week, the children in Year 1 have been learning about 3d shapes! They explored 3d shapes by matching them to everyday objects and by playing bingo.

## Year 4

Last week in English, Year 4 were writing their own newspaper reports. They looked at Southbury's fortnightly newsletter for inspiration then planned and wrote their own newspaper article featuring all the fun activities the children had been doing at Southbury!

# Sustrans Big Walk and Wheel!

## How are we doing?

### Southbury Primary School

# ATTENDANCE

## WHY IS IT IMPORTANT?

### ABSENCE FROM SCHOOL

Children are required by law to attend school 190 days per year. The Government states that every pupil's attendance should be at least 95%.

How do YOU measure up?

Attendance	Days Absent	Weeks Absent	Lessons Missed
95%	9 Days	2 Weeks	50 Lessons
90%	19 Days	4 Weeks	100 Lessons
85%	29 Days	6 Weeks	150 Lessons
80%	38 Days	8 Weeks	200 Lessons
75%	48 Days	10 Weeks	250 Lessons
70%	57 Days	11.5 Weeks	290 Lessons
65%	67 Days	13.5 Weeks	340 Lessons

89% & Below  
Drastic effect on  
academic achievement

95% - 90%  
Cause for  
concern

100% - 96%  
Excellent

Reception to Year 11

7th - 17th April

# Keep Your Child Safe Online

## T E C H

### TALK

**Talk** to your child about their internet use and safety

**Have meaningful conversations** about how they use the internet

**Praise** your child for safe online behaviours

**Welcome** your child if they want to ask you a question or tell you about a problem, even if they've done something unwise themselves

### EDUCATE

**Learn as much as you can** about games, platforms, parental controls and the benefits and risks of online activity

**Teach** your child about specific issues and concerns

**Teach** your child about safe and unsafe relationships and how to repair friendships following disagreements online

### CO-VIEW

**Co-view** your child's online activity at least 1x/week

**Interact** with your child online

**Model** appropriate online behaviour

**Co-operate** with each other to promote the well-being of all

### HOUSE RULES

**Set clear routines, rules and boundaries** ("house rules")

**Keep** to age ratings and guidance for apps, games and devices

**Restrict** online activity to daytime and communal areas

**Use** filters and parental controls

**Spend regular screen-free time with your child**

**AGE 11+**

for a basic phone or highly restricted smart phone without internet access or social media

**AGE 14+**

for a smart phone with parental controls

\*Agree a contract with your child to encourage responsible phone use
