11th July—Y6 end of year production
18th July—Y6 leavers' assembly 9.15am
18th July—Last day of term. **School finishes at 1:15pm**

Welcome from Mrs. Panteli.

Welcome to summer term! We have a really busy half term planned. There are lots of trips and events coming up so please ensure that you take a note of all the important dates. Starting on 12th May, Y2 and Y6 will be completing their Statutory Assessment Tests (SATs). The children have worked incredibly hard and we are so proud of their efforts in the build up to this. I am also delighted to say that we have started our internal refurbishment project. When I took over as Headteacher in 2023, I vowed that I would strive to make this school the absolute best that it can be and that included making some much needed repairs to the school. The project has begun with the Y6 classrooms being repaired and decorated and will continue until all classrooms are complete. I am so excited for you to see what a difference it has made!

Attendance Matters!

Overall attendance for week ending 25th April
93.78%

Attendance winners 22nd —25th April

1st place - YR Bluebell and Y6 Rose with 100%

2nd place - Y3 Primrose with 98.37%

3rd place - Y3 Blossom with 98%

Our Value this half term is...

Kindness

This half term, we will be looking at what it means to be kind and why it is important to be kind through your words and actions. Speak to your child about ways that they can show kindness at home, at school and within the community.

Attendance Matters

Our whole-school attendance numbers have increased slightly over the past two weeks but we still have lots to do to get it back up to the target of 95%

A reminder that if your child is feeling unwell but does not have a temperature or has vomited, please do your best to send them into school. Many children start to feel better as the day goes on and we will ensure that they are well looked after. Of course if they are not well enough to learn, we would notify you of this and ask for them to be collected.

In addition to this, we must also reduce the number of appointments taking place in the school day. Some appointments, such as hospital referral appointments, cannot be helped but please book dentist and doctor appointments out of school hours.

Pro Strike!

This week, the children enjoyed a day of football with our ProStrike football event! Children had to see how hard they could kick a ball at a goal. This speed was recorded and they each received a certificate with their speed! Thank to you all of the parents who helped their children to get sponsored for the event. Prizes for sponsorship will be distributed over the coming weeks.

Internal Refurbishment Update!

Before...

After!

What have we been up to?

Year 6

Year 6 are working really hard revising for their up and coming SATs. Their teachers are very proud of the effort and the maturity they have shown throughout.

Year 2

Last week, Year 2 had a wonderful visit to the local mosque! The children enjoyed learning about Islamic traditions, exploring the beautiful architecture and asking thoughtful questions.

Year 5

Year 5 have been studying bridge designs in D&T. This week they have been constructing their own truss bridges and testing their strength.

Nursery

The Nursery children welcomed some new guests this week! The stick insects have come to live at Southbury! The children learnt how to handle them carefully and spent the week learning all about them!

Year 3

Year 3 were invited to complete a home project related to their Geography topic. They could choose to make a volcano, desert or mountain and some of the children in Primrose class put so much time and effort into making masterpieces! Well done children!

Year 1

As part of their geography lessons, Year 1 went for a short walk near the school to spot physical and human features in our local area.

Year 4

Year 4 have started their new Science topic all about Inventors. They learnt about Samuel Morse who created morse code! They had fun trying to crack the codes using the morse code alphabet and then using torches to communicate messages to each other.

ATTENDANCE

WHY IS IT IMPORTANT?

ABSENCE FROM SCHOOL

Children are required by law to attend school 190 days per year. The Government states that every pupil's attendance should be at least 95%.

How do YOU measure up?

Attendance	Days Absent	Weeks Absent	Lessons Missed
95%	9 Days	2 Weeks	50 Lessons
90%	19 Days	4 Weeks	100 Lessons
85%	29 Days	6 Weeks	150 Lessons
80%	38 Days	8 Weeks	200 Lessons
75%	48 Days	10 Weeks	250 Lessons
70%	57 Days	11.5 Weeks	290 Lessons
65%	67 Days	13.5 Weeks	340 Lessons

89% & Below
Drastic effect on
academic achievement

95% - 90%
Cause for
concern

100% - 96%
Excellent

Should I keep my child off school?

Yes

Until...

Chickenpox	at least 5 days from the onset of the rash and until all blisters have crusted over
Diarrhoea and Vomiting	48 hours after their last episode
Cold and Flu-like illness (including COVID-19)	they no longer have a high temperature and feel well enough to attend. Follow the national guidance if they've tested positive for COVID-19.
Impetigo	their sores have crusted and healed, or 48 hours after they started antibiotics
Measles	4 days after the rash first appeared
Mumps	5 days after the swelling started
Scabies	they've had their first treatment
Scarlet Fever	24 hours after they started taking antibiotics
Whooping Cough	48 hours after they started taking antibiotics

No

but make sure you let their school or nursery know about...

Hand, foot and mouth	Glandular fever
Head lice	Tonsillitis
Threadworms	Slapped cheek

Keep Your Child Safe Online

TALK

Talk to your child about their internet use and safety

Have meaningful conversations about how they use the internet

Praise your child for safe online behaviours

Welcome your child if they want to ask you a question or tell you about a problem, even if they've done something unwise themselves

EDUCATE

Learn as much as you can about games, platforms, parental controls and the benefits and risks of online activity

Teach your child about specific issues and concerns

Teach your child about safe and unsafe relationships and how to repair friendships following disagreements online

CO-VIEW

Co-view your child's online activity at least 1x/week

Interact with your child online

Model appropriate online behaviour

Co-operate with each other to promote the well-being of all

HOUSE RULES

Set clear routines, rules and boundaries ("house rules")

Keep to age ratings and guidance for apps, games and devices

Restrict online activity to daytime and communal areas

Use filters and parental controls

Spend regular screen-free time with your child

AGE 11+

for a basic phone or highly restricted smart phone without internet access or social media

AGE 14+

for a smart phone with parental controls

*Agree a contract with your child to encourage responsible phone use
