

Dear Adventurer

2 Dear adventurer,

12 I am writing this letter to ask for your assistance.

21 Over the last few weeks, we have been receiving
30 reports of strange activity coming from the forest just
40 south of here. Perhaps the most worrying thing is the
48 large footprints that have started appearing at the
57 forest edge. It seems as though whatever is creating
66 them is getting bored of staying hidden and could
70 soon become a threat.

80 Tomorrow, we will be sending a search team into the
90 forest to investigate. I expect that you will be joining
101 us. You will, of course, be paid a handsome sum for
103 your bravery.

105 Yours expectantly,

107 King Dom

Questions

1. In which direction is the forest?

2. Find and copy one word which means the same as 'help'.

3. How do you think King Dom would react if the adventurer refused to join in with the investigation?

4. What do you think will happen tomorrow?

3. How do you think King Dom would react if the adventurer refused to join in with the investigation?

Pupils' own responses, such as: I think that he would force them to go anyway because he says 'I expect that you will be joining us', which makes it sound like they have no choice.

4. What do you think will happen tomorrow?

Pupils' own responses, such as: I think that lots of people will show up to investigate but when they go into the forest, they will never be seen again.
