

# Missing Unicorn

## 5 Have You Seen This Unicorn?

7 **Name:** Stardust

11 **Age:** 22 years old

15 **Colour:** white and blue

19 **Last seen:** Vox Zoo

25 **Description:** Stardust went missing from her  
34 stable at the zoo on Wednesday night and she  
45 has not been seen since. She is a shy creature so  
55 she may be difficult to track down. She loves to  
63 snack on carrots and apples. Her hooves and  
72 horn are bright pink. Stardust is one of seven  
82 unicorns that live at the zoo and her keeper is  
91 very worried about her. If you see her, please  
98 contact Roger Pickle at the zoo immediately.
