

The Star

By Jane Taylor

4 Twinkle, twinkle, little star,
10 How I wonder what you are!
16 Up above the world so high,
22 Like a diamond in the sky.
28 When the blazing sun is gone,
33 When he nothing shines upon,
39 Then you show your little light,
44 Twinkle, twinkle, all the night.
50 Then the traveller in the dark,
56 Thanks you for your tiny spark,
64 He could not see which way to go,
70 If you did not twinkle so.
77 In the dark blue sky you keep,
83 And often through my curtains peep,
89 For you never shut your eye,
96 Till the sun is in the sky.
102 As your bright and tiny spark,
108 Lights the traveller in the dark
115 Though I know not what you are,
119 Twinkle, twinkle, little star.

Questions

1. Who does the star help in the poem?

2. Find and copy one word from the text that describes the sun.

3. What do you think that the lines **For you never shut your eye, Till the sun is in the sky** describe?

4. Summarise this poem in 20 words or fewer.

Answers

1. Who does the star help in the poem?

The star helps the traveller in the dark in the poem.

2. Find and copy one word from the text that describes the sun.

blazing

3. What do you think that the lines **For you never shut your eye, Till the sun is in the sky** describe?

Pupils' own responses, such as: I think that the lines For you never shut your eye, Till the sun is in the sky describe how the stars can be seen at night but not in the daytime.

4. Summarise this poem in 20 words or fewer.

Pupils' own responses, such as: It is dark at night when the sun has gone. The stars twinkle and light the way for the traveller.
