

# Creepy Crawlies in the Garden

- 8 Go to the garden where the leaves rest,  
18 to find a creepy crawly or a small, empty nest.  
25 Look under twigs, what will you find?  
35 A little creepy crawly or an insect of some kind.  
42 A family of ladybirds, all snuggled together,  
51 hidden safe in the leaves, dry in any weather.  
59 Look! A stripy bumblebee flying to a flower.  
69 For a tiny insect, it must look like a tower!  
77 Scurrying across a leaf, the beetle dashes fast.  
87 His legs are clinging on as the wind rushes past.  
96 The worm likes to hide deep in the ground,  
102 digging down, waiting to be found.

## Questions

1. Who can be found snuggled close together?

---

2. Which word rhymes with 'rest'? Tick one.

- ☐ kind  
☐ nest  
☐ fast

3. Why might the beetle be **scurrying** across the leaf?

---

---

4. What else might you see at the bottom of the garden and what might they be doing?

---

---

---
