

# Seaside Holidays in the Past

10 Many people today like to go to the seaside for  
18 a holiday. Some people choose to go abroad  
27 because it is warm. Some people like to stay  
30 closer to home.

37 Seaside holidays in the past were very  
46 different. It cost lots of money to travel away  
55 from home in the past. Then, the railway was  
63 invented. More people could go to the seaside  
72 because it cost less to travel there. This meant  
81 that lots of people started to go to British  
89 seaside towns, such as Blackpool. Lots of adults  
98 and children had never seen the sea before this.  
105 Beaches became more popular so more hotels  
110 were built in seaside towns.

## Answers

1. What was invented that allowed more people to visit the seaside?

**The railway was invented which allowed more people to visit the seaside.**

2. Why do you think more hotels were built in seaside towns?

**Pupils' own responses, such as: I think more hotels were built in seaside towns because more people started going to the beach and they needed somewhere to stay.**

3. Find and copy one word that means 'another country'.

**abroad**

4. How do you think that seaside holidays will change in the future?

**Pupils' own responses, such as: I think that seaside holidays in the future will be less popular because most people have already seen the sea or can see it on a computer.**
