

Building Castles

- 9 What are you able to build with your blocks?
15 Castles and palaces, churches and docks.
23 Rain may keep raining, and others may moan,
31 But I can be happy building at home.
40 Let the sofa be mountains, the carpet a sea,
48 That's where I'll make the castle for me:
56 With a moat and portcullis, a drawbridge beside,
64 And hundreds of turrets where people can hide.
72 With high walls that enemies never can climb,
80 And dungeons for if you've committed a crime,
91 For as long as I live, and wherever I may be,
99 I'll always remember my castle by the sea.

Questions

1. What is the child happy to do when it is raining?

2. Find and copy the word that means 'a place where ships come to drop off and pick up their cargo'.

3. Why do you think the child will always remember the castle they built?

4. What do you think the child is going to build next with the blocks?
