

Clown School

2 Dear Lucy,

11 My first week at clown school is going really
21 well. They have given me my own red nose and
30 we had a lesson in clown make-up yesterday. I
39 looked so different with a very white face and
48 a bright, red nose. We are learning to tumble
57 safely later today. We will also use a unicycle.
68 A unicycle is a bike with only one wheel. I am
75 most looking forward to learning some new
83 tricks that will make everyone back at home
93 laugh. I am hoping to find a circus to travel
102 with when I have finished clown school. I just
108 can't wait to see every part
111 of the country.
