

# Cauliflowers Fluffy

- 5 Cauliflowers fluffy and cabbages green,  
11 Strawberries sweeter than any I've seen.  
16 Beetroot purple and onions white,  
22 All growing steadily day and night.  
31 The apples are ripe and the plums are red,  
40 The broad beans are sleeping in a blankety bed.  
46 Blackberries are juicy and rhubarb sour,  
52 Marrows getting bigger, hour by hour.  
57 Gooseberries hairy and lettuces fat,  
63 Radishes round and runner beans flat.  
72 The apples are ripe and the plums are red,  
81 The broad beans are sleeping in a blankety bed,  
82 yeah!
