

# Trick or Treat

8 It was the evening of 31<sup>st</sup> October. Two  
16 sisters were getting ready to knock on the  
24 doors of the houses on their street. They  
33 hoped to get lots of treats. Eva was the  
41 youngest. She wore a tall, purple hat with  
49 a matching dress and was excited to wear  
57 her green and white stripy tights that she  
65 had been saving for this event. She thought  
72 they looked great next to her bright-orange  
74 pumpkin bucket.

84 There was a loud knock on the front door as  
93 they were about to leave. "Who could it be?"  
102 asked Ruth. They opened the door a tiny bit  
109 and outside... "TRICK OR TREAT?" boomed a  
111 big voice.
