

Diary of a Christmas Elf

Dear Diary,

I woke up early and went straight to Santa's workshop. First, I checked the Naughty and Nice List so I could see who I was making toys for today.

I sharpened some ice skates for Lucy, painted a doll's house for Tommy and finished blowing up all the footballs.

After that, I wrapped up some teddy bears and books in bright, colourful paper. Then, I helped to load lots of presents onto Santa's sleigh. Santa told us we had done a really good job and gave us some mince pies to thank us. I think I have the best job in the world!
